THERE ARE 1,000 GOOD REASONS

Anton Häring KG is a technology company, a driver of innovation and an award-winning employer worldwide.

OUR PHILOSOPHY

Think it. Believe it. Achieve it.

OUR STRENGTHS

In a globalized world, mobility is the end-all and be-all. As a leading manufacturer of precision parts in large and medium series, we develop high-tech solutions for the entire automotive sector, including e-mobility and hydrogen, while also serving the non-automotive sector.

With great flexibility and state-of-the-art manufacturing processes, we offer precision parts that can be found in almost every car in the world.

”

We are working today to equip the world of tomorrow with efficient and sustainable technologies that not only change the way things are done, but also make them better. Join our team and get started!

Miriam Häring,
President
